Re: United States v. D'Amelio, 07 Cr. 548 (DAB)

Dear Judge Batts:

Granted
 S/DAB
 7/27/2007

I am writing to request a modification of defendant Daniel D'Amelio's bail conditions to limit the monitoring by pretrial services of Mr. D'Amelio's computer to his use of the internet, including all emails sent and received. Under the current bail conditions, all computer activity is monitored including all documents composed by Mr. D'Amelio related to his defense of the charges in this case. The modification we request should satisfy all safety concerns of the Court.

Pretrial Services Officer Robert Trail and AUSA Randall Jackson have both consented to this application.

SO ORDERED
